The stuff thats going on in the  
World got me scared to death,  
Its like what theirs to do  
Isnt anything left,

But to try to stay alive  
And head in a straight direction,  
Without anything stopping us  
In the intersection,

But theirs always something  
There to stop us fast,  
Thats why people end up bad  
Because our dreams never last,

Never last for us to get use to  
And try to have fun  
Without looking at the faces of death  
Drugs, alcohol, crimes and guns,

But its more than them  
That gets in our way,  
Its just to bad they all  
Cant vanish today.
