my God has a mighty  
hand as powerful as the  
raging sea

it could heal the broken  
body or bring a strong  
man to his knees

my God blows me away  
like a hurricane He stirs  
me up then calms me  
down leaving me insane

awaken my senses to be  
a better man i touch the  
hem of his flowing robe  
and then I ran

i keep wasting precious  
time on these mountains  
that i climb just to walk  
back down again to see  
what's on the other side  
with a fear of what i'll find  
but I will not back down i  
will not back down

my God offers me seren-  
ity this apathy my identity  
gone leaves simplicity  
i rid myself of this com-  
placency the curiosity to  
be a better me opens  
these eyes to see

time for the song to be  
summed up the show has  
been hyped up the crowd  
has been shocked  
redemption is for all it

doesn't matter who you

are he doesn't care about  
the hand that you drew  
and we're here to enter-  
tain you to rock your  
socks off the higher pur-  
pose spread his love from  
here to moscow

separate yourself from  
the evil all around all we  
ask of you now is that you  
won't back down
