[Intro]

Press on, Keep on, Move on, Dream on

[Verse 1]

Odds are stacked against me
As I try and climb my way to the top, oh
Wanna even out the odd
But obstacles come along to stop me
Still I'm pressing on
Still I'm climbing on
Still I'm moving on
Dreaming on
But bigger than before

[Chorus]

I'll push harder now fight is stronger now
Fear is farther now
I'm bigger than before
Digging deeper now, reaching higher now
Passion like a fire now
I'm bigger than before

[Verse 2]

Feeling kinda low because it seems so often I'm
misunderstood, yeah
Ridiculed for being different accused of bad when I do
good, oh
But still I'm keeping on, still I'm praying on
Still believing on, dreaming on
But bigger than before

[Breakdown]

Never, never stop (repeat)

Still I'm pressing on, still I'm climbing on
Still I'm moving, dreaming on
But bigger than before

[Chorus]

I'll push harder now fight is stronger now
Fear is farther now

I'm bigger than before
Digging deeper now, reaching higher now
Passion like a fire now
I'm bigger than before
