[Verse 1]

Everybody tells me that time will heal all things
But I've been waiting on this time so long did time
forget bout me
Cause I'm still broken up inside
Every time someone speaks your name
I'm hurting, crying every night every
Since you went away I'm missin' u

[Chorus]

Missin' U all through the day
Missin' your smile and the way
You used to hold me when you loved me
I'm Missin' U, Missin' U

[Verse 2]

Boy I wish you were right here and everything had
changed
Back to the way it used to be before the problems and
strain
I cannot fathom living life without you future was so
clear
But now it's cloudy and there's rain outside because
you aren't here

[Chorus]

Missin' U all through the day
Missin' your smile and the way
You used to hold me when you loved me
I'm Missin' U, Missin' U

[Verse 3]

Never in a million years would I have thought that you
would leave me
All alone so sad and lonely cause I'm missin u
My heart is heavy boy for real feels like a weight is on
my chest
I gave my all this wasn't supposed to happen
Can't focus, can't eat, can't get no rest

[Chorus]

Missin' U all through the day
Missin' your smile and the way
You used to hold me when you loved me
I'm Missin' U, Missin' U
