Two me's inside of me
Kind of black and white
Kind of proud and shy

I need them to make me whole
Another one to make me smile
Another suicide

Again and again I killed myself
Tried to find a way out

I shot the sheriff
I cut off all those ties tonight
I shot the sheriff
To set myself straight for the ride
I shot the sheriff
I cut off all those ties tonight
I shot the sheriff
To set myself straight for the ride

Two me's inside of me
Another one to make me smile
Another suicide

I want to walk the line and keep the faith
But still screw it up and run away
I just want to leave everything
For a minute when I need it
Like a weekend lover

I shot the sheriff
I cut off all those ties tonight
I shot the sheriff
To set myself straight for the ride

Again and again I killed myself
Tried to find a way out

I shot the sheriff
I cut off all those ties tonight
I shot the sheriff

To set myself straight for the ride
I shot the sheriff
I cut off all those ties tonight
I shot the sheriff
To set myself straight for the ride

Again and again I killed myself
Tried to find a way out
