and hit

The lights, cause they keep going in and out...id rather  
see your silhouette , once the candle's lit..oooooo

[Chorus:]

Hold me baby , keep it.. (keep it coming baby)...All night  
long(till after the candles burn)...And i will still be going  
On and on and huggin and kissing till morning the sun  
will be shinnin'and will be.. on and on.. till after the  
candles  
BURN!...oooh oohh... oooo

Don't be suprised.. if i start to cry.. from the emotions  
taking over our body, your body and mine.. (and let the  
self

Decide, you'd ask if i,would never stop..at my reply),  
cause i wont stop!! like these candles will be burnin'...
