"Celebrate Me Home"

I'm going home today,
I believe I've missed each and every face,
Get there and play my music,
Turn on every love light in the place

It's time I found myself,
Totally surrounded in the circles
Oh oh, my friends

Please, celebrate me home,
Give me a number,
Please, celebrate me home
Play me one more song,
That I'll always remember,
I can recall
Whenever I find myself too all alone,
I can sing me home.

Uneasy highway,
Traveling where the Westerly winds can fly,
Somebody tried to tell me,
But the men forgot to tell me why,

I gotta count on being gone,
Come on woman, come on daddy,
Be what you want me as
I'm this strong, I'll be weak

Please, celebrate me home,
Give me a number,
Please, celebrate me home
Play me one more song,
That I'll always remember,
I can recall,

Whenever I find myself too all alone,
I can make believe I've never gone.

Please, celebrate me home,
Give me a number,
Please, celebrate me home

Play me one more song,

...

Play me one more song,

Hey,

Somebody said,

Celebrate me home

I cant, wait to see ya,

I can't, wait to hold you,

You know I miss you, yeah.

Come on and,

Celebrate, celebrate, celebrate me home,

Celebrate, celebrate, celebrate me home,

Well you know I'm finally here,

And you don't have to worry,

No, no...

No no no no no no

So come on and celebrate, celebrate, celebrate me
home.
