[Verse 1]

Everybody's looking for that something  
One thing that makes it all complete  
You'll find it in the strangest places  
Places you never knew it could be  
Some find it in the faces of their children  
Some find it in their lovers eyes  
Who can deny the joy it brings  
When you find that special thing  
You're flying without wings

[Verse 2]

Some find the cheer in every morning  
Some in their solitary lives  
You'll find it in the works of others  
A simple line can make you laugh or cry  
You'll find it in the deepest friendships  
The kind you cherish all your lives  
And when you know how much that means  
You have found that special thing  
You're flying without wings

[Bridge]

So impossible as they may seem  
You've got to fight for every dream  
"cause who's to know which one you let go  
Would have made you complete

[Verse 3]

But for me it's waking up beside you  
To watch the sun rise on your face  
To know that I can say I love you  
At any given time or place  
It's the little things that only I know  
Those are the things that you make mine, all mine  
And it's the flying without wings  
"cause you're my special thing  
I'm flying without wings  
You're the place my life begins  
And you'll be where it ends  
I'm flying without wings

And that's the joy it brings  
I'm flying without wings
