Let me hold you tight, if only for one night
Let me keep you near to ease away your fears
It would be so nice if only for one night

I won't tell a soul, no one has to know
If you want to be totally discreet
I'll be at your side if only for one night
Yeah, yeah, if only for one night

Your eyes say things I never hear from you
And my knees are shaking too
But I'm willing, willing to go through
I must be crazy standing in this place
And I'm feeling no disgrace for asking

Let me hold you tight if only for one night
One night, girl, let me keep you near
Near to ease away your fears
It would be so nice if only for one night, night
Yeah, yeah, if only for one night

I tell you what I need
One night, one night
Whooo, that's all I need is one night
One night, one night
Oooh, oh, baby one night, one night
One night of your love of your love
Of your loving

I'm asking, let me hold you tight if only for one night
Let me keep you near to ease away your fears
It would be so nice if only for one night
