June 28th I was saying "I do" to my bride.  
And 2 years later in October we said Goodbye.  
(Unh) And my bed's been so cold in the space  
You occupied  
And what I want to say is

Baby, I'll miss you.  
And when I see you in the street, I'm a speak  
But now it's official.  
Ladies, I'm single.  
So when you see me on the street,  
Don't be scared to speak  
I'm a need another lady  
I'm single

Girl I tried everything to make you smile. (uhm yeaah)  
I gave you the world on a platter but you wanted out.  
(Ooo ooo)  
I'm not into keeping somebody  
That don't want to be mine.

Ooooh Baby, I'll miss you  
And when I see you in the street, I'm a speak  
But now it's official.  
Ladies, I'm single.  
So when you see me on the street  
Don't be scared to speak.  
I'm a need another lady.  
I'm single

And sometimes I get lonely (so lonely) ((ey-eh-uh))  
And I just need somebody (ooo)  
To make (huuuhhh)  
Me say (ooo baby)  
Ooo Ooo Ooo baby (yeah e yeaah)  
Yeah yeah (yeah e yeaah)

And baby,  
I'll miss you!  
So when I see you on the street I'm a speak  
But it's official.

You don't really want to fix us  
But you act like you don't want to brake up.  
I can't wait around for you to make up  
Your mind, Your mind  
Baby!

I'll Miss you,  
And when I see you in the street, I'm a speak  
But now it's official.  
Ladies, I'm single.  
So when you see me on the street  
Don't be scared to speak.  
I'm a need another lady.  
I'm single

(Ooo huuuh ooo baby)

I'm single  
(Yea e yeaaah)  
(Yea e yeaaah)

(Ha! ) I'm single  
(Oooh huuuh (uh-uh) oooh baby)

I'm single  
(Yea e yeaaah)  
(Yea e yeaaah)
