Ladies and Gentlemen the time is now, ya'll all been waitin, we gone rock this now (swiss beats)

Oh yea....oooooo Oh yea

[Verse 1]

It don't matter

That i got a house wit a lot of rooms, sittin on a hill

It don't matter

That i got cars in my garage sittin on a lot of wheels

It don't matter

That everywhere i go girls be screamin my name

Material things come and go

I just wanna let you know

That i wanna make it right and that i need you in my life

Im down by 2 points and a 3 can win the game

[Chorus]

What you gone do girl, you got the ball, make a move

girl, you got my heart, take the shot c'mon take the

shot, take the

Shot c'mon

And win the game girl (you got the ball), 'cause it's

your world (you got my heart) take the shot c'mon take

the shot,take the

Shot c'mon take the shot

[Verse 2]

It don't matter

That you see me all the time in the club

It don't matter

'cause deep down inside a player wants some love

It don't matter

That i can get a girl to come home with me (home with me)

But i don't do one night stands no mo (no mo)

Girl im tryin to let you know

That i wanna make it right, that i need you in my life,

down by 2 points and a 3 can win the game

[Chorus]

[Bridge]

You got it, you got it, you got it  
Girl just take it to the hole  
You got it, you got it, you got it  
My heart, my body and soul  
You got the queen so make a move  
Im down by 2 points and a 3 can win the game

[Chorus 2 x's]

Ladies and gentlemen the time is now, (c'mon) ya'll all  
been waitin(c'mon) we gonna rock this now (c'mon  
now)

Ladies and gentlemen (c'mon now) the time is now  
(c'mon now) ya'll all been waitin (c'mon now) we gonna  
rock this now

Said you gonna take, said you gonna take, said you  
gonna take, sand you gonna take....The shot  
The shot.
