For all we know we may never meet again

Be for you go make this moment sweet again

We wont say goodnight until the last minute

I'll hold out my hand and my heart will be there

For all we know this may only be a dream

We comeand we go like the ripple in the stream

So love me love me
tonight tomorrow was made for some tomorrow
was made for some tomorrow may never come
for all we know (pause)

So love me love me
tonight tomorrow was made for some tomorrow
may never come for all we know
