OOooooohh..... i m flying
here i m, all on my own
for the first time, really on my own
so will i make it will i be alright
can i make it through the night

and i go...

OOooooohh.....
OOooooohh.....
OOooooohh.....
OOooooohh.....
i m flying
open space

look @ me, i'm riding high
on the airborne, master of the sky
And everything can seems to make me fade
I will find the place without the change

and i go

OOooooohh.....
OOooooohh.....
OOooooohh.....
OOooooohh.....
i m flying
open space

and everything can seems to make me fade
I will find the place without the change

OOooooohh.....
OOooooohh.....
OOooooohh.....
OOooooohh.....
i m flying
open space
