Everybody's looking for that something
One thing that makes it all complete
You'll find it in the strangest places,
Places you never knew it could be

Some find it in the faces of their children
Some find it in their lover's eyes
Who can deny the joy it brings
When you find that special thing
You're flying without wings

Some find the sharing every morning
Some in the Solitary lives
You'll find it in the words of Mother's
A simple line can make you laugh or cry
You'll find it in the deepest Friendships
The kind you cherish all your lives
And when you know how much that means
You have found that special thing
You're flying without wings

So impossible,
As they may seem
You've got to fight for every dream
The truth to know
Which one you let go
Would have you made you complete

But for me it's waking up beside you, (yeah)
To watch the sun rise on your face
To know that I can say I luv you
At any given time or place, (ooh)
It's the little things that only I know
Those are the things that make you mine, (all mine)
And it's the flying without wings
Cuz you're my special thing
I'm flying with out wings

You're the place my life begins,
And you'll be where it ends
I'm flying without wings

And that's the joy it brings!
I'm flying without wings
