If anybody asks you
If anybody asks you
Where I'm goin', where I'm goin'
Where I'm goin', soon, woah ohh, yeah

If you wanna know
I bet you wanna know
Where I'm goin', goin'
Where I'm goin', someday soon, ohh

I'm goin' up yonder
(Goin' up yonder)
I'm goin' up yonder
(Goin' up yonder)
Goin' up yonder
To be with my Lord, ohh

I can take the pain, yes I can
The heartache that it brings
It's gonna hurt sometime, ohh
Comfort's in knowing
I'll soon be gone
Soon [Incomprehensible]

If God gives me grace, oh thank you
[Incomprehensible]
To run this Christian race
[Incomprehensible]
'Til I see my Savior
I see Him face to face

I'm goin' up yonder
(Goin' up yonder)
I'm goin' up yonder, yeah
(Goin' up yonder)
I'm goin' up yonder
To be with my Lord, ohh

Oh said, I'm goin' up yonder
(Goin' up yonder)
I'm goin' up yonder, yeah
(Goin' up yonder)

Yeah, I'm goin' up yonder
To be with my Lord, ohh

Goin' step by step
(Hmm)
On the stairway to Heaven, brother
(On the stairway)
Step by step
(Ooh, yeah)
On the stairway to Heaven, brother
(Are you goin' with me)

Step by step
(Come on brother)
On the stairway to Heaven, brother
(Come on my sister)
On the stairway to Heaven, brother
(Yeah)
On the stairway to Heaven
(Yeah)

Goin'
(Goin' up yonder)
I'm goin' up yonder
(Goin' up yonder)
I'm goin' back to yonder
To be with my Lord

Yeah, I gotta rope up to yonder
(Goin' up yonder)
Waitin' on me
Gotta [Incomprehensible] to yonder
(Goin' up yonder)
And I can't wait to go up yonder
To be with my Lord, ohh

Say grandma, Chris is up yonder
(Goin' up yonder)
[Incomprehensible] up yonder
(Goin' up yonder)
And I wanna go up yonder
To be with my Lord, ohh yeah
