Verse

Just because
I rise a lil sane
i might be tired lady
tryna understand
that doesn't mean
that you've done something wrong, noooo

And just because,
when We have a lil fight
And i walk out on you,
And stay gone all night
That doesn't mean
That i'm not coming home

Woooohooooow Baby

Chorus

I love you
Oh i love only you
What else, can i
Do or say

mmmmmmmm

I love you
Oh i love, i love only you
What would it take,
To make you want to stay

Verse

Now just because
When sometimes you wanna make love
And i tell you not tonight, Try to understand
I work hard all day
Girl i'm doing the best, that i can.

Now if you wanna go
It's up to you
But i'm telling you right now
My whole world, is gonna be misty blue
I'm begging you please

Please Please Please stay

Aaaayyyyyyy

Chorus

I love you

i sure love ya love ya love ya love ya love ya love, i love
you

What else, can i

Do or say

oh baby, you know that i love ya know that i....

love you

Oh i love, love you, baby

What would it take,

To make you want to stay.

make you wanna stay

make you wanna stay
