Tell me another lie  
Make me believe it's all in my mind  
And tell me you was out with your girls last night  
And that my boys didn't see you with another guy

Make me believe I'm tripping  
When your cell phone rings at three in the morning  
You get up and leave the room  
Tell me the pretty lie instead of the ugly truth

Baby girl, I'm not stupid  
When you talk to me like I don't know  
What kind of cologne I buy  
When I find the Dolce and Gabana, it ain't mine  
Baby, lie to me one more time

I don't want the truth, no, no, no  
I don't wanna have to forgive you for  
Anything that you might have done wrong  
Honestly, I'd rather just not know

I don't want the truth, no, no, no  
I don't wanna have to forgive you for  
Anything that you might have done wrong  
Honestly, I'd rather just not know, just not know

Can't sleep all night  
Trying to convince myself that we're alright  
And it's sad that the truth is I know  
That you're doing wrong but you're still my right

Make me believe I'm tripping  
When your cell phone rings at three in the morning  
You get up and leave the room  
Tell me the pretty lie instead of the ugly truth

Baby girl, I'm not stupid  
When you talk to me like I don't know  
What kind of cologne I buy  
When I find the Dolce and Gabana, it ain't mine  
Baby, lie to me one more time

I don't want the truth, no, no, no  
I don't wanna have to forgive you for  
Anything that you might have done wrong  
Honestly, I'd rather just not know

I don't want the truth, no, no, no  
I don't wanna have to forgive you for  
Anything that you might have done wrong  
Honestly, I'd rather just not know, just not know

Girl, don't tell me how y'all met two months ago  
Sugar, I'd rather just not know  
I'd rather keep believing you still love me so  
I'd rather just not know

I don't want the truth, no, no, no  
I don't wanna have to forgive you for  
Anything that you might have done wrong  
Honestly, I'd rather just not know

I don't want the truth, no, no, no  
I don't wanna have to forgive you for  
Anything that you might have done wrong  
Honestly, I'd rather just not know

I don't want the truth, no, no, no  
I don't wanna have to forgive you for  
Anything that you might have done wrong  
Honestly, I'd rather just not know

I don't want the truth, no, no, no  
I don't wanna have to forgive you for  
Anything that you might have done wrong  
Honestly, I'd rather just not know, just not know
