Long ago and oh so far away
I fell in love with you...
Before the second show
And your guitar
And you sound so sweet and clear
But your not really here
It's just the radio

[Chorus:]

Don't you remember you told me you loved me baby?
You said you'd be coming back this way again
Baby Baby Baby Baby oohh baby..
I love you...
I really do

Lonleyness is such a sad affair Sad affair
And I cant hardly wait
Baby no I cant
To be with you again
And what to say to say to make you come again.. mm
oohh honey
Come on back to me again....
I wanna be,I wanna be anywhere you are
Ooo....

[Chorus:]

Don't you remember you told me you loved me baby
You said you would be coming back again
Baby baby baby baby baby baby baby baby oohh baby

I love you

Oh baby don't you remember you told me baby??
You said you'd be coming back this way again
Baby baby baby baby oohh baby
I love you, I really Do..
