The long & winding road
That leads to your door
Will never disappear
I've seen that road before, oh

The wild and windy night
That the rain washed away
Has left a pool of tears
Crying for the day, oh
Why leave me standing here?
Let me know the way

Many times I've been alone
And many times I've cried
And anyway, you'll never know
The many ways I've tried
But still it leads me back
To the long winding road
You left me standing here
A long, long time ago
Don't leave me waiting here
Lead me to your door

But still that leads me back
To the long winding road
You left me standing here
A long, long time ago, oh
Don't leave me, leave me waiting here
Lead me to your door, oh

Oh, lead me to your door
