Somebody, oh baby, what if?
What if? What if? What if?
Yea yea girl
What if? What if? What if?

Spend the day at the spa, anything you want
Different day different time, anything you want
Max out my card if you wanna
Whatever girl, it ain't no problem, no
Take a trip on a yacht anywhere you want
Leave them bags, we gonna shop anywhere you want
Girl, you know I'll do whatever it takes
You know I love you like I used to love cake

Would you be cool if things changed?
If I didn't roll the Benz and you didn't push the reign?
I know what we got it's gone last babe
Don't be mad but I still gotta ask

What if I was broke? What if I was slim?
What if couldn't sing and I didn't win?
What if I had to catch the bus?
I still stay wit my momma so there ain't no making love
Baby what if I had to use the pay phone just to get my
game on?
Would you still wanna put it on me?
What if? What if? What if?
Aww baby what if? What if? What if? What if? Yeah

Take the keys to my crib anytime you want
Just come over take a dip anytime you want
How much you need girl? I'mma front you
There ain't no limit to what I'll do no
I'mma break you off wit the ghetto love
Take yo time it ain't no rush
I'm not tryin' to do nothing to mess it up
But if I do I'll spend 4 million to make it up

Would you be cool if things changed?
If I didn't roll the Benz and you didn't push the reign?
I know what we got it's gone last babe
Don't be mad but I gotta ask

What if I was broke? What if I was slim?
What if couldn't sing and I didn't win?
What if I had to catch the bus?
I still stay wit my momma so there ain't no making love
Baby what if I had to use the pay phone just to get my
game on?
Would you still wanna put it on me?
What if? What if? What if?
Aww baby what if? What if? What if? What if?

I would give up everything
I don't care about none of this
My life don't mean nothing
Not unless you are a part of it
Girl, I know for sure that your the only one I need
Tell me how would your life be? Would you still be my
baby?

What if I was broke? What if I was slim?
What if couldn't sing and I didn't win?
What if I had to catch the bus?
I still stay wit my momma so there ain't no making love
Baby what if I had to use the pay phone just to get my
game on?
Would you still wanna put it on me?
What if? What if? What if?
Aww baby what if? What if? What if? What if? Tell me
yeah

What if? What if? What if? Girl, what if?
What if? What if?
What if? What if? What if?
What if? What if? What if?
What if? What if?
