Whatcha gonna do when your mom says 'No'
But you gotta say 'Bye' and you gotta go

I'm gonna have to run
I'm gonna have to run

Whatcha think life can be put on hold
While I got my best tie in his pantyhose

I think you wanna come
I think you wanna come

I've washed my hands of you
I'm not the best for you
All on my own again
You're just too late
I've washed my hands, I'm through

By the way I like the thing you do
When there's foam on the floor
And you say you who

You're gonna have some fun
You're gonna have some fun

Funny it's strange how you turn away
Seems you gotta get down with another maid

You're gonna have to run
You're gonna have to run

I'm not the way I used to be
But I'm the same for you 'Mrs Purity'

I've washed my hands of you
I'm not the best for you
All on my own again

You're just too late
I've washed my hands, I'm through

Baby I ain't gonna be there
When you're back from your mishap past
Get a load of that

It's a love track, hun
It's a love track, hun

And I could be keeping up a tree
Dancing in the streets, some
But you will never be, cause

This is how it's done
And this is how it's done

I've washed my hands of you
I'm not the best for you
All on my own again
You're just too late
I've washed my hands, I'm through

It's a love track, hun
It's a love track, hun
It's a love track, hun

Ah it's a love track, hun
