Hey there, lonely boy, lonely boy  
Let me make your broken heart like new  
Oh, my lonely boy, lonely boy  
Don't you know this lonely girl loves you?

Every since she broke your heart  
You seem so lost each time you pass my way  
Oh, how I long to take your hand  
And say "Don't cry, I'll kiss your tears away"

Hey there, lonely boy (lonely boy), lonely boy (lonely boy)  
Let me make your broken heart like new  
Oh, my lonely boy (lonely boy), lonely boy (lonely boy)  
Don't you know this lonely girl loves you?

You think that only her two lips  
Can kiss your lips and make your heart stand still  
But once you're in my arms you'll see  
No one can kiss your lips the way I will

Hey there, lonely boy (lonely boy), lonely boy (lonely boy)  
Let me make your broken heart like new  
Oh, my lonely boy (lonely boy), lonely boy (lonely boy)  
Don't you know this lonely girl loves you?

Hey there, lonely boy (lonely boy),  
lonely boy (lonely boy)
