Oh yeah
You never know what it is
Till you feel the breeze
And you're in our knees
You never know
Till is gone
And you're home alone
With your phone on

Oh yeah (repeat)
I believe in the miracle of love

Chorus
I believe in the miracle of love
Oh yeah
x 4

Now I know how
The...from the sun
Cause we are fools
I the matters of the heart
The way you make me fell
Is like drawn in my blood
My heart is pumpin'
And I am yeah, so hot!

You should know (you should know)
That I'm loosing my control
And it's getting so confusing
Forever more, I am sure,
I'll been loving you you (repeat)!

Chorus x 4

You should know (you should know)
That I'm loosing my control
And it's getting so confusing
Forever more, I am sure,
I'll been loving you.
you (repeat)!

Chorus x 6

In the miracle of love
