everyday with you is necessary
now i need the love you put on me
feeling higher than ive ever been
your a star to my system
but something happend when you were far away
i need you back here so stay another day
cause when im with you my heart it starts to race
i feel so alive temperatures so high

call 999 call 999 emergency number i dont feel life
without you
resuscitate me resuscitate me, bring me back to lifee

im just dying cause im bringing you down
hearts fading fast you brought me back round
breathing life in me so delicatly, dont go now your my
heartbeat
when were together and pressure starts to rise
cant live without you my body dont feel right
but i choose to my love when i couldnt get up
then you brought me back to life

call 999 call 999 emergency number i dont feel life
without you
resuscitate me resuscitate me bring me back to lifee
call 999 call 999 emergency number i dont feel life
without you
resuscitate me resuscitate me bring me back to lifee
m e r c s t o n , mind blowing jus 079 me
uh its super mercs to the rescue,
you aint gotta say i know where to attend to
i mean i can be your lover, your friend too
but you giving me a call is the best move
i tell you straight , i try to give u space
now your like i need you to resuscitate
so i popped up with the gift all boxed up
no flowers but ill go on for hours
part 1 in the shower, 2nd part 2nd hour,
hmm stallion boss power
u cant keep up when i hold your feet up
ill make u reach the 'O' before the b does
speed up slow it down ease up

if you like ill be your regular feature
mind sweeper huh, forget a diamond, rubys my piece
cut

call 999 call 999 cause i need ya to saveee mee
i dont feel life without ya, u bring me back to life
yeah u save me , yeah u save me , yeah u save me
ohhhhh
you savee mee eehh yeaahh and i wanna say thank you
, thankyouu ohhh yeahh
