I'm used to broken hearts, but not this time  
I'll turn the page of wishes you were mine  
Wait for this day to come into my arms  
I see you standing there with a hole in your heart

I'll wait for you, I'll wait  
'Till morning comes  
When dawn awakes, dawn won't you wake up  
I'll sing this song for you  
Through the radio  
Listen to these words, Woaahhh  
Gotta let you know

I'll hold you close  
Take it slow  
Don't wanna ever, ever let you go  
You're what I want you're what I need  
Break my back, break my back  
Just so you can see

I'll wait for you, I'll wait  
'Till morning comes  
When dawn awakes, dawn won't you wake up  
I'll sing this song for you  
Through the radio  
Listen to these words, Woaahhh  
Gotta let you know

Don't break me down, don't leave me out  
I'm so afraid, so lost in doubt  
Don't break me down, don't leave me out  
I'm so afraid, so lost but

I'll wait for you, I'll wait  
'Till morning comes  
When dawn awakes  
Dawn won't you wake up  
I'll sing this song for you  
Through the radio  
Listen to these words, Woaahhh  
Gotta let you know

Don't break me down, don't leave me out  
I'm so afraid, so lost in doubt  
Don't break me down, don't leave me out  
I'm so afraid, so lost but

I'll wait for you, I'll wait  
'Till morning comes  
When dawn awakes  
Dawn won't you wake up  
I'll sing this song for you  
Through the radio  
Listen to these words, Woaahhh  
Gotta let you know

I'll wait for you, for you I'll wait  
I'll sing this song for you  
Through the radio  
Listen to these words, Woaahhh  
Gotta let you know
