I know I'm not obsessed
And it may sound absurd
But I love the look of your new furniture
From the outside lookin' in
You got a new boyfriend
Will you remember, will you remember
Hold me close, keep me warm
I know you'll be my shelter
A shelter from the storm
Hold on to these memories
Hold on to you and me
She said, "I know I make you happy
I swear the sky stays blue,
But only when I'm next to you."
Ohhh
Close your eyes and I'll kiss you
Close your eyes and see
Maybe you're the right one for me
Hold me close, keep me warm
I know you'll be my shelter
A shelter from the storm
Hold on to these memories
Hold on to you and me
Woahhh, woahhh ooohhh
Woahhh, woahhh ooohhh
Woahhh, woahhh ooohhh
Woahhh, woahhh ooohhh
Hold me close, keep me warm
I know you'll be my shelter
A shelter from the storm
Hold on to these memories
Hold on to you and me
Woahhh, woahhh ooohhh
Woahhh, woahhh ooohhh
Everybody
Hold me close, keep me warm
I know you'll be my
Shelter from the storm
Hold on to these memories
Hold on to you and me
