When the walls scream so loud
And the paper burns marry
Feed the basement
As the ice turns to cherry
I know that blinking
I know she's on
When the snuff rolls so coolly
At the edge of my tongue

Well sometimes I feel tall
Baby is this real
Chasing your eyes is like sinking into fear
Put on your red dress, make me feel fine
I can hear hearts beating
Louder than mine

1-2-3-4-5
Oh baby try to keep your head on your shoulder
5-6-7-0

I'm falling in low

Drinking beer like wine
Thinking faster today
She's like the last lucky dance
Of a mad Johnny Ray
I know that blinking
I know she's on
When the snuff rolls so coolly
At the edge of my tongue

Billy Black- Amboy Duke
Lovely taste
Taste like you
You 'n' I
Empty eyes
Love's like heat
Heat on ice

1-2-3-4-5
Oh baby try to keep your head on your shoulder

5-6-7-0

I'm falling in low
