Heat of Weird Havana
Surfing through the eye of the storm
007 inspiration
Smashin' my head against the wall
An' I don't want no arms around me
I don't want nobody at all
I don't want your lips so close
'Cause my body starts to blow!

Gone Gone Gone
We don't need no explanation
Gone Gone Gone
We got soul stimulation
Gone Gone Gone
That's my RPM injection

Gone Gone Gone
'Cos baby I'm on
Bay I'm on
C' mon baby I'm gone

Heat of weird Havana
Slidin' through the eye of the storm
007 inspiration
Smashin' my head against the wall
I don't want no arms around me
I don't want nobody at all
I don't want your kiss tonight
'Cause my body starts to go
Gone Gone Gone...
