[High Priest]

yo, I went out to the store  
got right to the door  
I had to go back  
forgot what I came for  
shot back to the lab

[Beans]

yo, priest grab the tabs

[M. Sayyid]

oh, word, you takin percocet?

[High Priest]

yo, are these tablets working yet?

the doctor said be careful  
cuz these pills are kinda strong  
let's mainline  
got some poke n sniff  
get some tokens kid  
let's ride the train

[M. Sayyid]

back with a gift  
downshift  
slippin the grip  
hold me down like a knick  
oh, that's that shit  
newsclip  
maurice diamond so slick

[Beans]

far from a view (view)  
far from few  
king daddy disco (disco)  
pots beats grease like crisco  
bang like pistol (pistol)  
intent clear as crystal (crystal)  
the thing I require from this industry is money and  
autonomy  
feather float pillow (pillow)  
white chin, double dribble

ballbeam burst bubble  
crippled on beats

[M. Sayyid]  
that spells trouble

[High Priest]  
let's make these tracks bubble  
no time for a huddle  
you wanna hear pats?  
son come follow me  
can't follow these rhymes  
rap to fumbly

[M. Sayyid]  
banannas make shit scatter  
oh, there he is  
runnin out a padded white van  
up a ladder  
don't jump, uuaah  
sliced my bladder

[Beans]  
uh oh, in need of first aid  
better hustle  
swift as if you kicked a pit bull in the nuts  
permanent bad mood  
for mcs with skill we bear no ill will

chill

get your mind together  
time is not forever  
so focused  
so focused
