Sometimes I wonder, wonder who I am  
And I know it hurts so much, that you are leaving  
Sometimes I wonder, babe I was your man  
And I cannot stand the pain, just when I'm dreaming

I will cry, give me one more try  
It's hard to stay alone girl, when you're gone

I still believe in the two of us  
I still believe in my lonely heart  
'Cause I will love you endlessly, oh my baby  
I still believe in the words you said  
I still believe but you drive me mad  
'Cause I will love you endlessly, oh my baby

Sometimes I wonder, crying all these tears  
'Cause you lie to me and it's killing all emotions  
Sometimes I wonder feeling all these fears  
And I'm feeling like I'm drowning in the ocean

I can't hide what I feel inside  
It's hard to stay alone girl, when you're gone

I still believe in the two of us  
I still believe in my lonely heart  
'Cause I will love you endlessly, oh my baby  
I still believe in the words you said  
I still believe but you drive me mad  
'Cause I will love you endlessly, oh my baby

I will cry, give me one more try  
It's hard to stay alone girl, when you're gone

I still believe in the two of us  
I still believe in my lonely heart  
'Cause I will love you endlessly, oh my baby  
I still believe in the words you said  
I still believe but you drive me mad  
'Cause I will love you endlessly, oh my baby

Oh my baby
