Na na na na na na na na na na na na na na na I'm the
only fucking child there ever was I'm the only fucking
child Adulthood is hell Namby-pamby protracted
childhood The only alternative Namby-pamby
protracted childhood Earthworks of infantility The facts
of life cleaned from passion-killing anatomical tomes
You don't need pot to see Pan. You don't need pot to
see Pan I'm a little girl I'm a little girl I'm a little girl I'm
a little girl And I formed a dislike for killing things
which could not fight back Childish and childlike My
rocking horses at the head of the stairs My rocking
hearses I am Providence I am Providence I am
Providence I am Providence And Providence is me
