Come on, come on!  
Come on, come on!

You think that I don't know  
What is going down  
It's time you let your goatee go  
And do the new dance in town

Come on, come on!  
We can do the Scrappy!  
Come on, come on!  
Beats can make you happy!

What's the matter with your eyes?  
Your contacts are so scary  
I'm tired of seeing these guys  
They're just too tough to do the Scrappy!

Come on, come on!  
You can keep the Shaggy  
Come on, come on!  
And we can do the Scrappy!

Come on, come on!  
Come on, come on!

Come on, come on!  
Come on, come on!

Come on, come on!  
Come on, come on!

Dig the sound of today  
Tell me, do you want some more?  
Throw your chain wallet away  
And get yourself on the floor!

Come on, come on!  
We can do the Scrappy  
Come on, come on!  
Beats can make you happy!

Come on, come on!  
We can do the Scrappy  
Come on, come on!  
We can do the Scrappy  
Come on, come on!  
Beats can make you happy!

What's the matter with your eyes?  
Your contacts are so scary  
I'm tired of seeing these guys  
They're just too tough to do the Scrappy!

Come on, come on!  
You can keep the Shaggy  
Come on, come on!  
And we can do the Scrappy!

Come on, come on!  
Come on, come on!

Come on, come on!  
Come on, come on!

Come on, come on!  
Come on, come on!

Dig the sound of today  
Tell me, do you want some more?  
Throw your chain wallet away  
And get yourself on the floor...

(fade out)
