hit me up on a 2-way
telling me that you wanna see me
midnite is perfect timing
pull up to the club rims is shining
put u back in the VIP
bottles poppin all on me
your gurlfriend is on ecstasy
grab ur coat and roll wit me

When you give it to me baby
got a nigga going crazy
living out my fantasies
gurl you need you begging please
baddest i've ever seen
you got me feeling like a dope fiend
and i just cant get enough
of ur kamasutra love

you go that kamasutra love
can't enogh baby
kamasutra freak
