Ruff Endz - Sure Thing

Yea?  
Play that dance song  
I just want you to listen?

Never thought that there could be  
Can be a girl for me  
Never though I could find this kinda love in my lifetime  
No one never though that she can make me so happy  
I got the girl of my dreams  
IÃ¡ÃŠÃ³e found my sure thing

YouÃ¡ÃŠÃ©e my thing for long while  
Though IÃ¡ÃŠÃŹ never be tied down  
Guess IÃ¡ÃŠÃŹ never felt anyone ready for real love  
If you wanna get real love  
Got me thinking my future plans  
Makes me wanna step up to the plate and be a good  
man  
Some look forever  
And never find the joy IÃ¡ÃŠÃ³e found in you (ohh)  
So true?

You make me wanna do right  
Come home to you every night  
YouÃ¡ÃŠÃ³e changed my life  
Like IÃ¡ÃŠÃ¡ in love for the first time  
You make me wanna settle down  
This love in you IÃ¡ÃŠÃ³e found  
You me wanna get the ring  
Cause IÃ¡ÃŠÃ³e found my sure thing

(never though, never though) Never thought that there  
could be  
Can be a girl for me  
Never though I could find this kinda love in my lifetime  
(Never though) No one never though that she can make  
me so happy  
I got the girl of my dreams  
IÃ¡ÃŠÃ³e found my sure thing

Made you promises I've never meant to anyone  
And it's not about sex  
I have a deeper love  
You have this inner beauty I've never seen  
So incredible  
So appealing  
(Baby)  
I'll give up everything just to have the joy  
The joy that you bring  
Cause my everything  
Like a cool breeze on a summers day  
So refreshing to me  
Cause you're the real thing

You make me wanna do right  
Come home to you every night (home)  
You change my life (changed it)  
Like I've in love for the first time (like I've in  
love)  
You make me wanna settle down (settle down)  
This love in you I've found  
You me wanna get the ring  
Cause I've found my sure thing

(I never) Never thought that there could be  
Can be a girl for me (one girl, one girl)  
Never though I could find this kinda love in my lifetime  
(never find)  
No one never though that she can make me so happy  
(ohh)  
I got the girl of my dreams (girl of my dreams)  
I've found my sure thing (sure thing)

Give you house  
The kids  
The car  
The dog (all)  
I'm willing to give it all  
The joy  
The pain (all)  
The sunshine (all)  
The rain  
Everything (everything)  
All my thoughts and fears have disappeared  
Now that I have you here (all)  
And I've found the need to do whatever it takes  
(All the things I do to be with you)  
Never thought that there could be  
Can be a girl for me (one girl, one girl)  
Never though I could find this kinda love in my lifetime  
No one never though that she can make me so happy

(so happy)  
I got the girl of my dreams (girl of my dreams)  
I've found my sure thing (sure thing baby)

Never thought that there could be  
Can be a girl for me  
Never though I could find this kinda love in my lifetime  
No one never though that she can make me so happy  
I got the girl of my dreams  
I've found my sure thing (cause I got my sure  
thing)

Never thought that there could be  
Can be a girl for me  
Never though I could find this kinda love in my lifetime  
No one never though that she can make me so happy  
I got the girl of my dreams  
I've found my sure thing

Never thought that there could be  
Can be a girl for me?
