University Challenged

We are not fascists.
We are not nihilists.
We are anarchists.

Hello, your black, your alright you are. I go to college,
this is my friend John, say hello John, he's got an R.A.R.
badge, we got them from that shop overthere, we got
digs so if you ever stuck for somewhere to sleep, you
know if your being oppressed by the Police or the N.F.
just come along, but you'd better leave early so the
landlady doesn't see you.
FUCK OFF!

I am Anti-Racist
I am Anti-Socialist
I am Anti-Communist
I am Anti-Sexist
I am Anti-Establishment
I am Anti-Government
I am Anti-Killing seals
I am Anti-Unions
I am Anti-Anarchist
I am Anti-Capatalist

er, wot else am I anti John?
Nihilist
Yeah that's right I'm Anti-Nihilist

All our lovely renault 4's
Stripey scarfs, college bores
I feel so sorry, for you, you can't get a job
It must be a hard life being a wog,
WOOPS! Sorry, I'm not supposed to say that.
