Whenever a heart is true
The light of love shines through
But when it is lead astray
The light of love
Can fade away
Don't be hurt by foolish words
I never meant to harm you
My love is strong and true
Hold on to me
I'm holding on to you
Don't ever say goodbye
Don't ever leave me lonely
Don't ever say goodbye
You are my one and only love
Now when you close your eyes
I watch you while you're sleeping
And if I could read your mind
I'd know the thoughts you're keeping
Do you dream for both of us
Do you feel the way I do
Darlin' hold on to me
I'm holding on to you
Don't ever say goodbye
Don't ever leave me lonely
Don't ever say goodbye
You are my one and only love
Solo
Don't ever say goodbye
Don't ever leave me lonely
Don't ever say goodbye
You are my one and only love
Don't ever say goodbye
Now when you close your eyes
I watch you while you're sleeping
