You were my world and now it's gone
Has another come and taken you on?
She'll never hold you the way I do, the way I do
All six foot two of you, my love

All I want is to go back in time
Get in your head and you get in mine
Maybe then I wouldn't be here

I dial your number just to hear your voice
You make everything more beautiful
I wanna tell you that I miss you
Wanna tell you that I love you
Wanna tell you that I'm sorry, that I'm sorry
That I'm sorry for it all
But I never make the call

All I want is for you to be happy
And if that means being without me
Then I guess I'll have to go on

All I want is to know that you're laughing
But if you find that time is just passing
Then I have just one question

Are you happier now?
Are you happier now?
Now that I'm gone...
