So you come, so I go out like the tide  
So you speak and I walk out of your life  
How can you love me, you know nothing of me, I'll say  
How can you love me when you know that I'll never stay

The same, it's the same pattern of nothing to name  
And I still remain in love when I'm bored

[Chorus]

I can't find my way  
I can't find my way  
I can't find my way back to you  
I can't find my way  
I can't find my way  
I can't find my way back to you  
So I hang out in Andy's room

So I come, so you go in like that tide  
So I break and you walk out of my life  
How can you love me, you know nothing of me, I'll say  
How can you love me when I pull and push you away

So you pray, so you pray to Jesus in His holy name  
And I fall from grace and into your mouth

[Chorus]

I can't find my way  
I can't find my way  
I can't find my way back to you  
I can't find my way  
I can't find my way  
I can't find my way back to you  
So I hang out in Andy's room

Oh well you know oh you know that I try, oh I try, oh I try  
To come in the light, oh the light of your face

[Chorus]

I can't find my way  
I can't find my way  
I can't find my way back to you

I can't find my way  
I can't find my way  
I can't find my way back to you  
So I hang out in Andy's room

I can't find my way  
I can't find my way  
I can't find my way back to you
