Beauty queens and magazines
I'm just thirteen and life ain't what it seems
Yeah I know it's bigger than me and you
But I can't see through
There's a place I love to go
It's green and blue and it sparkles through and through
Yeah it's all that I can do
To go to the place that I know
Where I will never grow old

Take my hand, hey Peter Pan
We're off to Never Neverland
I'll begin to love again
If you'll take me just the way that I am
Just the way that I am
Just the way that I am

All the time I've tasted life
Will I ever be a mother and a wife
Have a house with a fence that's white
And oh do these dreams come true?
There's a land of Tinkerbells and magic spells
And wishing wells and time will tell
But for now I bid farewell
And I go off with Peter Pan
I'm going just as fast as I can

Take my hand, hey Peter Pan
We're off to Never Neverland
I'll begin to love again
If you'll take me just the way that I am
Just the way that I am
Just the way that I am

Take my hand, hey Peter Pan
We're off to Never Neverland
I'll begin to love again
If you'll take me just the way that I am
Just the way that I am
Just the way that I am

Take my hand, hey Peter Pan
I'll see you down in Neverland
I know I can love again
If you'll take me just the way that I am
Just the way that I am
Just the way that I am
I'm running as fast as I can
I'll see you down in Neverland
