I lay down and sleep won't come
I stand still and still I run
I'm together, I'm undone

I am here and I am there
I am happy in despair
Yes I'm aware

I need the sound of the rain
Come down and wash it all away

I will give until I take
I am real until I'm fake
I am whole until I break

I am nothing that I seem
I want nothing that I need
I'm in-between

I need the sound of the rain
Come down and wash it all away
I need the joy and the pain
Again and again, oh again and again

I am dirty, I am clean
I am strong and I am weak
I am bound and I am free
I believe what I don't see
I am lovely, I am mean
I want war and I want peace
I am bitter, I am sweet

I lay down and sleep won't come
I stand still and still I run
Yes I'm undone

I need the sound of the rain
Come down and wash it all away
I need the joy and the pain
Again and again, oh again and again

I need the sound of the rain
Come down and wash it all away
I need the joy and the pain
Again and again, oh again and again

Again and again...
