Where do I go from here
How do I find my way back home
Where do I go from here
How do I unlearn all I've known

[Chorus]
All the times I failed
And all the times I've lost
All the times I couldn't be what you want
What you want

Oh where do I go from here
Tell me how to get back up again
Where do I go from here
How do I find solace in the end

[Chorus]
All the times I failed
And all the times I've lost
All the times I couldn't be what you want
What you want

All the times I tried
Well I tried to be your perfect thing
Oh but it never came out right
And so I'm here remembering

[Chorus]
All the times I failed
And all the times I've lost
All the times I couldn't be what you want
What you want
