Don't Hate Me

I remember when we would laugh all night
And nothing could stop us
Moments shared, were picture perfect
Memories remain

[Chorus:]

All I want is
Is to be just friends
Understand, and don't hate her
Feelings change, no strength in me
I'm sorry, my love for you is gone
My love is gone...
Honesty is all
We make mistakes I know
And I knew something's wrong
I couldn't lead you on...

Well I see, you and me seperating for good
No more friends? This can't be...
My best friend's gone

[Chorus]

Night is over
Orange haze has filled my eyes again
She's not perfect... but I'm still feeling
Weak inside when she's around
But don't hate me
Don't Hate me
Don't Hate me...
We're all done
We're all done
We're all done
We're all done...

All I want is
Is to be just friends
Understand, and don't hate her
Feelings change, no strength in me
I'm sorry, my love for you is gone
So please don't hate me...
