You're all I see these days,
But you're so far away.
This dream is never ending.
You're falling through my broken mind.
I've been caught up this time.
Finally showing some passion.
These shattered eyes
Have broken on the thought of leaving you,
But I must go

Inside my heart,
I'm aching. spent time on
Others faking. you've stolen my heart
And trapped my mind.
I'm giving into you.
I'm lost again.
I see there is no difference.
We're still alone.

So come home with me tonight.
We'll wait till dark turns light.
Can't fight this feeling in my soul.
I'm lost in thoughts.
We'll wave... you're gone.
Silence evolves.
We'll wave... you're gone.
Follow me home.

Something's strange in me.
I feel the same for you,
But there is no difference.
We're still alone.
There is no need in crying.
There is no need in dying.
It makes no difference.
We're still alone.

So come home with me tonight.
We'll wait till dark turns light.
Can't fight this feeling in my soul.
I'm lost in thoughts.
We'll wave... you're gone.

Silence evolves.
We'll wave... you're gone.
Follow me home.

So come home with me tonight.
We'll wait till dark turns light.
Can't fight this feeling in my soul.
I'm lost in thoughts.
We'll wave... you're gone.
Silence evolves.
We'll wave... you're gone.
Follow me home.
We'll wave... you're gone.
Silence evolves.
We'll wave and you're gone.
