I knew a little girl  
And she was born in the ghetto (x2)

I knew her so well  
She had stories to tell (x2)

A mother and a fatherless child  
And she was always running wild (x2)

She danced for all the men  
Every night in the caravan (x2)

She was a mother and a fatherless child  
And she was always running wild (x2)

Sahara! Sahara!

I knew a little girl  
And she was born in the ghetto (x2)

I knew her so well  
She had stories to tell (x2)

A mother and a fatherless child  
And she was always running wild (x2)

She danced for all the men  
Every night in the caravan (x2)

She was a mother and fatherless child  
Always running wild (x2)

Sahara! Sahara!

Sahara! Sahara!

I knew a little girl  
And she was born in the ghetto (x2)

I knew her so well  
She had stories to tell (x2)

A mother and a fatherless child  
And she was always running wild (x2)

She danced for all the men  
Every night in the caravan (x2)

She was a mother and a fatherless child  
Always running wild (x2)

Sahara! Sahara!
