No one is the boss of me

Bretts to ugly for Tv

Have you met my girlfriend Bob?

Smell you later get a job...

Chorus:

Smell you later get a job...smell you later, get- a-
jooooob

I'm the king of outer space

Do I have something on my face?

I jsut ate the Beastie Boys

Come on Fuzzy make some noise

I am Zora , hear me roar

Had enough, I'll give you more

Pull my finger-

Here's a plan

You be checo, i'll be the man

Repeat chrous 2 times
