VERSE 1:

I thought that I'd never make it
But finally I've arrived
I'm putting it all on the line
Tonight it's do or die
This feeling is so amazing
I've waited all my life
To step into the light
And shine and shine

Shine!

PRE-HOOK:

This journey hasn't been easy
But I'm well on my way

HOOK:

Into light oh oh
And it ain't never burning out
Into the light oh oh
I'm winning this time around
I'm gonna shine
Shine bright, shine bright
I'm gonna be a star
I'm gonna shine
Shine bright, shine bright
Tonight I'm going far

VERSE 2:

Wishing Hoping and praying
For something warm and bright
I can feel it in my heart
I can picture it in my mind
My hands are shaking
My bodies taking flight
Closer to the sun
Further from my fears

PRE-HOOK:

This journey hasn't been easy
But I'm well on my way

HOOK:

Into light oh oh
And it ain't never burning out
Into the light oh oh
I'm winning this time around
I'm gonna shine
Shine bright, shine bright
I'm gonna be a star
I'm gonna shine
Shine bright, shine bright
Tonight I'm going far

SPOKEN:

Emerging out of the Darkness
And finally I'm stepping into the light

BRIDGE:

Shine Shine Shine Shine Shine Shine

Everybody knows when the lights come on
I will shine I'll be your number one
Everybody knows when the lights come on
The moments mine I'm gonna get it done tonight

HOOK:

Oh Oh Oh
And it ain't never burning out
Into the light oh oh
I'm winning this time around
I'm gonna shine
Shine bright, shine bright
I'm gonna be a star
I'm gonna shine
Shine bright, shine bright
Tonight I'm going far

OUTRO:

Gonna be a star
I'm gonna be a star
I'm gonna be a star
