I see that guy that you're standing near
I know you think that he's fine
He gets you hot with his dancing gear
But you ain't had none of mine

Oh, I like the way you move
I'd like to feel your groove
He'll never do you like me
I got the stuff you need

Oh, danse pour ton amour
Dancing for your love
Je danse pour ton amour
Dancing for your love tonight

I saw you looking like you wanted some
And you were looking at me
If you want to party and have some fun
I'm the guy you should see

I, I got the stuff to soothe
I like the way you move
You got the power to be
Everything that I need

Oh, danse pour ton amour
Dancing for your love
Je danse pour ton amour
Dancing for your love tonight

I saw you looking like you wanted some
And you were looking at me
If you want to party and have some fun
Then I'm the guy you should see

Oh, I like the way you move
I'd like to feel your groove
You got the power to be
Everything that I need

Oh, danse pour ton amour
Dancing for your love

Je danse pour ton amour
Dancing for your love

Oh, danse pour ton amour
Dancing for your love
Je danse pour ton amour
Dancing for your love

Oh, danse pour ton amour
I'm dancing for your love
Je danse pour ton amour
Dancing for your love
