I refuse to be amused
That's somethin' that ain't right
I declare I'm well aware
I felt the angel's vibes

I can hear you callin', no I'm not stallin'
I'm justa doin' somethin' else
When I'm with you, I'm really with you
But right now I'm by myself and I

I can feel this fire, such a strange desire
As strong as life itself
I, I can feel this fire, such a strange desire
And I don't want nothin' else but ooh I like your lovin'

Talk so much I'm in a flux, you just can't make up your
mind
Executin' dreams ain't easy, justa wastin' precious time
Talk is cheap, your words are weak
I don't want you wastin' mine

I hear ya callin', no I'm not stallin'
I'm justa doin' sumthin' else
When we're together, show 'nuff together
Right now I'm by myself and I

I can feel this fire, such a strange desire
As strong as life itself
I, I can feel this fire, such a strange desire
And I don't want nothin' else, ooh I like your lovin'

Feel this fire, strange desire
Feel this fire grooving
Feel this fire, strange desire
Feel this fire grooving

Feel this fire, strange desire
Feel this fire grooving
Feel this fire, strange desire
Feel this fire grooving

Feel this fire, strange desire

Feel this fire grooving
Feel this fire, strange desire
Feel this fire grooving

Feel this fire, strange desire
Feel this fire grooving
Feel this fire, strange desire
Feel this fire grooving
