Here we are alone in this old smokin' room again
If your highness is your pleasure, it's alright
'Cause there's an extra added goodness in my heart
for you tonight
If there's any such a thing as God, He must be here
tonight

Ain't sayin' I'm right, ain't sayin' I'm wrong
Ain't sayin' there's any such a thing as short or long
It seems you've been here many times before, it's too
beautiful but true
And I'm glad I got the chance tonight to share my now
with you

I used to be locked in a closet and I couldn't find the
key
Used to be you'd look my way, but not see me
But it's happiness to know that from yourself you
cannot hide
And that here's where I am and it's you that's by my
side

Ain't sayin' I'm right, ain't sayin' I'm wrong
Ain't sayin' there's any such a thing as short or long
Seems we've been here many times before, it's too
beautiful but true
I'm so glad I got the chance tonight, to share my now
Share my now, oh baby, baby, oh yeah

So glad I gotcha spend some time
Spend some time, I'm glad I gotcha baby
So glad I gotcha spend some time
Spend some time, I'm glad I gotcha baby

So glad I gotcha share my life
Share my life, I'm glad I gotcha baby
So glad I gotcha share my life
Share my life, I'm glad I gotcha baby

Love you baby, just love you baby
Love you baby, love you, love you baby
