Swing down, sweet chariot  
Stop and let me ride  
Swing down, sweet chariot  
Stop and let me ride

Rock me, ma, rock me, pa  
Coming easy  
I got to hold on the other side

Swing down, sweet chariot  
Stop and let me ride  
Swing down, sweet chariot  
Stop and let me ride

Rock me, ma, rock me, pa  
Coming easy  
I got to hold on the other side

Swing down, sweet chariot  
Stop and let me ride  
Swing down, sweet chariot  
Stop and let me ride

Rock me, ma, rock me, pa  
Coming easy  
I got to hold on the other side

I got to hold, I got to hold, I got to hold  
I got to hold, I got to hold, I got to hold  
I got to hold, I got to hold, I got to hold
